Welcome to the Aurora Periodontal Centre

Our team of board-certified dental specialists provide a full range of treatments for periodontal diseases, receding gums, dental implants, extractions, and bone grafting. Our goal is to help every patient achieve long-term dental health – and a beautiful smile.

Our top priority is to ensure that you have a positive experience at our office. Your treatment is always personalized. To ensure you receive comprehensive care, we work closely with your family dentist. We offer modern and effective periodontal treatment, and all aspects of dental implant surgery.

If you have any questions, please do not hesitate to contact us. We look forward to meeting you.
